INTER-OFFICE COMMUNICATION

January 8, 2007

MEMORANDUM

To: Robert Williams, Seymour District Deputy Commissioner

Attn: Ron Burcham, District Director of Production
and
Nathan Frey, Project Manager

From: John R. Weaver, Director of Planning
Dave Andrews, Program Manager

RE: **SR 46 from SR 246 to US 231/ SR 67 Junction (Spencer)**
Des. No.: 0014380

Subject: Decision Brief – Recommendation

The information from the Decision Brief and comments from the District have been assessed and it is recommended that this project should be designed applying 3R Desirable criteria and should include the Truck Climbing Lanes, passing blisters and realignment of West Franklin Street. The application of a more realistic design speed to the local road approaches as discussed in Section 7 of the Decision Brief is recommended. The project allocation will remain at \$19,300,000 (2011).

Please provide the District's action to this recommendation by providing an implementation plan to the Program Manager, Mr. Dave Andrews, within two weeks of the date of this letter.

Below is a list of revised project data.
